BUTTON

BG #060608 Panel #141013 Border #6D758D Accent #B4202A Alert #6D758D Text #DAE0EA

Font: Cormorant Garamond italic (titles), Space Mono (buttons, text). Titles get a red/blue offset glitch shadow and tilt -1.5 deg; panels have a hard offset shadow and 2 px radius; every second button is shifted 12 px. No animation. Title 64, header 32, button 15 upper, body 14-15. Radius 6 (buttons), 10 (panels). Grid 8 px. Focus: 2 px accent outline. Slider, checkbox, dropdown reuse the same border and accent.

Palette: Resurrect 64, cool-grey ramp only. Components: Button, Panel, Title, Slider, Toggle, Dropdown, Dim Overlay. Seven in total.

NAVIGATION

Main Menu → New Game → Gameplay → Victory / Game Over

Main Menu → Settings / Credits / Quit

Gameplay ESC ⇄ Pause → Settings / Restart / Main Menu / Quit

Restart, Main Menu and Quit open a Confirm dialog (Confirm / Cancel). Settings has Back only: it returns to the screen it was opened from. Victory: Continue goes to the next level or Credits. Game Over: Retry reloads the level.
